

## CHALLENGE! 2025

### WEATHERGRAMS

Your challenge is to design and letter a Weathergram to coincide with our Guild's 45<sup>th</sup> Anniversary. The traditional theme of a 45<sup>th</sup> anniversary is **SAPPHIRE (BLUE)**

#### Write IN blue or ON blue

1. Use a brown paper bag cut into strips 2 1/2" X 10" before the top is folded. Brown paper is bio-degradable and if hung outside takes about three months to weather, hence, going back to nature.
2. Fold top 1" doubled. Punch a hole in the middle of the fold and attach a piece of string for hanging.
3. Since a traditional Weathergram also includes Vermillion, begin your quote in Majuscule red and also sign it in red.

#### What to write? Here are some ideas...

1. a Haiku about our anniversary, or the art of calligraphy
2. Inspirational words about our anniversary, creativity, or the art of calligraphy

**The point is to say something Inspiring and uplifting on blue or in blue.** Put a smile on one's face and bring happy thoughts.

**We will display our Weathergrams at our Anniversary celebration in the fall.**
